Dear Shaun Scrutton,

**Re: Proposed Development at the Water Tower High Road Hockley Essex
Application No. 11/00595/FUL**

With reference to your letter of 14th October, I wish to object to the proposed development on the grounds there are already too many Antennas at the site. Also, in my opinion the Antennas are a health hazard to the those residents living in the proximate vicinity of the Water Tower.

Yours sincerely
