Dear Sir/Madam,

**Re: Mr William J Quinn – D.O.B. 14.02.1923.  
69a Branksome Avenue, Hockley, Essex, SS5 5PG.**

I would be grateful if this patient could be granted exemption of planning fees for alteration of his home, done due to his failing health. He is known to be hypertensive, has had a knee replacement and has struggled with increased need to pass urine due to an enlarged prostate.

The family feel that converting the existing garage into a bathroom would aid his quality of life and I would be grateful if this request could be considered favourably.

Yours sincerely,
