Dear Sir/Madam,

**RE: SAFEGUARDING CONSULTATIONS**

Our calculations show that, at the given position and height of the following planning applications will have no effect upon our operations. We therefore have no safeguarding objections.

13/00181/FUL  
13/00135/FUL  
13/00152/FUL  
13/00146/FUL  
13/00071/FUL

Please note that if you require a crane or piling rig to construct the proposed development, this will need to be safeguarded separately and dependant on location may be restricted in height and may also require full coordination with the Airport Authority.

Any crane applications should be directed to sam.petrie@stobartair.com / 01702 538521.

Yours faithfully,
