Dear Sir/Madam

PROPOSED EXTENSIONS – 21 BARLING ROAD, GREAT WAKERING, SOUTHEND ON SEA, ESSEX (APPLICATION REF. 06/00813/FUL)

Thank you for consulting with this Council in respect of the proposed development detailed above.

As the proposals raise no strategic issues for Southend-on-Sea Borough Council and are for amendments to a permission that has previously been granted, I would not wish to raise any formal objections to the proposed development. The only general observation I would make is that the proposed extensions do appear to be rather over-scaled in relation to the size and proportions of the original dwellinghouse, but this is a clearly matter for your authority to determine.

I hope you find my comments useful.

Yours faithfully

Zachary Ellwood
Group Manager Development Control
