

Ref 14/00147/out Mr. Derek Dowling builders yard and store 1 Webster's way Rayleigh Essex

From Mr. k Horne THE PINKTOOTHBRUSH 19-23 HIGH STREET RAYLIEGH ESSEX SS6 7EW

With ref to the above proposal we as a NIGHTCLUB would like to draw to the attention that living NEXT door to a nightclub that some of our sound system on a Friday and sat night might be transmitted into the new homes, we have no back doors open and we have no windows in the direction of the proposed flats but as a matter of courtesy we would like to put into writing now that this is a possibility, the sound system in the nightclub is directed at the dance floor and not at the rear of the club where the proposed flats are intended but sound do travel, we have been a nightclub on these premises since 1976 and we do not have sound complaints from our neighbours as we make sure our rear doors are not open during trading hours, but living accommodation built next door to a existing night club might be able to hear our sound system or its vibrations ,we are not objecting to mr Dowlings application but we are putting in writing our concerns ,,,
