My name is [REDACTED], currently living at Urquhart house, trenders Ave, Rayle SS6 9RG. I have been here since 2003 in the boarded building next to my mums mobile home. she lived in a 1 bedroom mobile home which is why I took up residence in the building what is not unusual for a 14 year old travelling boy to do, obviously the 1 bedroom mobile wasn't big enough for the 2 of us and the building was much better and suited my needs more as I have a lot of exercise equipment.

In 2007 we got permission to stay on the site, I was living in the building when the appeal was granted and Inspector came down to visit and was never questioned by anyone as to whether I was living in here. I have photos from 2007 to prove it was fully set up as living accommodation.

In 2012 I got married to my wife Elizabeth therefore the accommodation was definitely too small. the same time I thought that it would be OK to extend the building as Government was urging people to extend existing buildings and as we had permission thought this would be OK to do so, also as you are aware I have no other choice of living arrangements and need the support of family being close by.

[REDACTED]

[REDACTED]

me and my wife [REDACTED] are currently  
[REDACTED] as we are hoping to start a  
family. Therefore you can see how stressful and  
hard my life is and all I wish to do is  
get lawful use for the building and extension.  
This is currently caused me and my family  
a lot of extra stress and just like anyone  
else will like to bring up my family in  
my own home.

[REDACTED]

My name is [REDACTED] im [REDACTED] wife  
I got married to [REDACTED] on the 14th April 2012  
and I have lived in the Building behind the  
Shelly Since we got married i was Dating  
[REDACTED] Since may 2010 and i no he was liveing  
in that Building During the time we were  
together because i used to visit him and  
used to Skipe to him all the time.

we have lived together in the Building since  
we got married but there was not enough  
Space for us both to live and for [REDACTED]  
to do his [REDACTED].

we need to Seperate rooms in case of  
[REDACTED] We are Curently trying to start  
[REDACTED] as we want to start a family So there  
for we are going to need more space for  
Children there for i urge you to give us  
lawfull use so that we can try to live out  
a Stress free life.
