

Dear Mr Stranks,

Thank you for consulting with Network Rail in relation to planning application 15/00439/FUL.

The proposed works for the removal of the existing monopole and replacement with a new 17.5m monopole with 3 no. existing antennas and the removal and installation of new cabinets is due to take place on property that is owned by Network Rail. Can you confirm whether the applicant has gained the relevant permission to carry out such works and with whom they have been in contact with in Network Rail?

Kind regards,
