

Planning Reference: 12/00252

Planning Condition 31

In relation to the above condition, there is a requested for a Arboriculture survey to be carried out and Tree protection plan to be produced and implemented, we advise that the existing site conditions as indicated in the DWG No : 7309, we note that there is generally no tree located within the scheme. Also the approved scheme does not retain any such trees and all indicted vegetation and trees are to be new planted.

Therefore we ask that this condition is concluded and can be discharged in its entirety.

STATION CO-ORDINATES
