Dear Alexis,

Firstly please accept my apologies for the urgent email as this is an error on our part. We have an application for 35 dwellings in Canewdon which is going to Committee on the 19th January, and we have just seen that you have not been consulted with regard to healthcare contributions.

The application number is 16/00733/FUL.

In order to have this in time to include it on the addendum we would need a response by the 16th January, the 17th at the very latest in order for it to form part of the consideration and decision.

Would it be possible for you to provide a consultation response to us in this short time frame?

Kind regards,
Elizabeth
