

LOCATION PLAN 1:1250

## NOTES

This drawing must not be copied or reproduced without prior written consent of John R A Jackson.

The drawing shall be read in strict accordance with all relevant specialists and engineers drawings together with their specifications.

The contractor must check all dimensions on site and report any discrepancy to John R A Jackson.

The Contractor, before commencing work on site, must clarify with John R A Jackson that the drawing he is working to is the "approved working drawing".

The main contractor shall be responsible for the stability of existing structures and earthworks on the site and adjoining sites and shall take all necessary precautions to safeguard the structures.

All excavations to be approved by the engineer and local authority prior to placing of any concrete.

All trades and materials to comply with the latest B.S. and C.P. standards and local authority approvals as work is completed. All construction to conform with the latest Building Regulations and N.H.B.C requirements.

All electrical, water and gas installations to conform to appropriate regulations and standards of Boards.

## REVISIONS
