Dear Ms Rodgers,

font size="2" face="Arial">Thank you for your enquiry relating to
planning

application 17/00850/OUT. I have reviewed the documentation on your planning

portal website which indicates that the land parcel associated with the planning application is affected by HSE consultation zones.
br>

As you are aware, the proposed development
lies within the inner, middle and outer HSE consultation distance of a
major hazard site - Hanson Brick Ltd, Cherry Orchard Way, Rochford.
 HSE

has previously corresponded with Rochford District Council in relation to this major hazard site and a previous planning application (ref 15/00776/OUT).

I have attached this correspondence for your review.

In the case of planning application 17/00850/OUT, <u>HSE's advice is that there are sufficient reasons, on safety grounds, for advising against the granting of planning permission in this case.</u>

font size="2" face="Arial">HSE has previously advised Rochford
District.

Council that the revocation of Hazardous Substance Consent for the Hanson Brick Ltd site will result in the consultation distance around the site being withdrawn, and there being no further need to consult HSE on developments

in its vicinity. In these circumstances, \mbox{HSE} would strongly encourage $\mbox{Rochford}$

District Council, as the hazardous substances authority, to revoke the hazardous substances consent for the former Hanson Brick Ltd site, in accordance

with Section 14 or 17 of the Planning (Hazardous Substances) Act 1990. If the hazardous substances is formally revoked, please send confirmation of this to HSE.

I can confirm that HSE would not advise
against

the granting of planning permission for application 17/00850/OUT if:

font size="2" face="Arial">a) the hazardous substances
consent for the Hanson Brick Ltd site is formally revoked in accordance
with Section 14 or 17 of the Planning (Hazardous Substances) Act 1990,
or

b) the following, or a
similarly-worded

condition, was included in the planning permission:<font size="3"
face="Times New Roman">

```
<br>
</font><font size="2" face="Arial"><b><i><b>>
Condition: The developments associated with planning application reference
17/00850/OUT shall not be occupied until the hazardous substances consent
for the storage of LPG at the former Hanson Brick Ltd site at Cherry
Orchard
Way, Rochford has been revoked in its entirety under the provisions of
the Planning (Hazardous Substances) Act 1990, and written confirmation
of the necessary revocation has been issued by the Hazardous Substances
Authority.  </i></b></font><font size="3" face="Times New Roman">
</font>
<br>
<br><font size="2" face="Arial">If the hazardous substances consent is
formally
revoked, or permission is granted with the above condition before the
is revoked, there is no need to refer the matter back to HSE to consider
requesting that it be called-in for determination by the Secretary of
State,
as we will not have advised against the granting of permission. If
nevertheless,
you are minded to grant permission without this condition without the
hazardous
substances consent having been revoked, your attention is drawn to Section
9, paragraph 072 of the online Planning Practice Guidance on Hazardous
Substances - Handling development proposals around hazardous
installations,
published by the Department for Communities and Local
Government.</font><font size="3" face="Times New Roman"><br>
</font><font size="2" face="Arial"><br>
These require a local planning authority to give HSE advance notice when
it is minded to grant planning permission against HSE's advice, and allow
21 days from that notice for HSE to consider whether to request that the
Secretary of State for Communities and Local Government call-in the
application
for their own determination.</font><font size="3" face="Times New Roman">
</font>
<font size="2" face="Arial">The advance notice should be sent to HSE's
Major Accidents Risk Assessment Unit, CEMHD5b, Redgrave Court, 2.2 Merton
Road, Bootle, Merseyside L20 7HS or by email to </font><a
href="mailto:luppadhici5@hse.gov.uk"><font size="2"
face="Arial"><u>luppadhici5@hse.gov.uk</u></font></a><font size="2"</pre>
face="Arial">.</font><font size="3" face="Times New Roman">
</font>
<font size="2" face="Arial"><b><br>
Revocation of hazardous substances consent</b></font><font size="3"
face="Times New Roman">
</font><font size="2" face="Arial"><br>
</font><font size="3" face="Times New Roman">&nbsp;</font><font size="2"
face="Arial"><br>
With regards to the revocation of the hazardous substances consent, you
may find the following information helpful:</font><font size="3"
face="Times New Roman">
</font><font size="2" face="Arial"><br>
```

```
</font><font size="3" face="Times New Roman">&nbsp;</font><font size="2"</pre>
face="Arial"><br>
It is HSE's understanding that, like planning permission, hazardous
consent can add value to the land concerned.   Legal constraints have
been put in place to control how and when such a consent can be revoked,
or modified, with or without compensation. The legislation covering such
action is <u>mainly</u> to be found in Sections 13 - 19 of </font><a
href="http://www.legislation.gov.uk/ukpga/1990/10/contents"><font size="2"
color="blue" face="Arial"><u>The
Planning (Hazardous Substances) Act 1990</u></font></a><font size="2"
face="Arial">
as amended. <br>
 </font><font size="3" face="Times New Roman">&nbsp;</font><font size="2"</pre>
face="Arial"><br>
In line with national planning policy, planning controls around major
sites continue until formal revocation of all hazardous substances
consents
relating to an area of land has occurred (including any consent expressly
granted or deemed to have been granted, and any associated variation(s)
and/or continuation(s)).</font><font size="3" face="Times New Roman">
</font><font size="2" face="Arial"><br>
 </font><font size="3" face="Times New Roman">&nbsp;</font><font size="3"</pre>
color="blue" face="Times New Roman"><u><br>
</u></font><a
href="http://www.legislation.gov.uk/ukpga/1990/10/section/14"><font
size="2" color="blue" face="Arial"><u>Section
14 of the Planning (Hazardous Substances) Act 1990</u></font></a><font
size="2" face="Arial">
provides the hazardous substances authority (HSA) with a general power,
by order, to revoke or modify hazardous substances consent. <br/> <br/> to revoke or modify hazardous substances consent. <br/>
 </font><font size="3" face="Times New Roman">&nbsp;</font><font size="2"
face="Arial"><br>
Under s.14 (1), the HSA can revoke or modify a consent if they consider
it expedient to do so. This requires confirmation by the Secretary of
State,
and the HSA may be liable to pay compensation (s.16). <br/>
 </font><font size="3" face="Times New Roman">&nbsp;</font><font size="2"</pre>
face="Arial"><br>
Under S.14 (2), the HSA may revoke a consent if it appears to them
that</font><font size="3" face="Times New Roman">
</font><font size="2" face="Arial"><br>
 </font><font size="3" face="Times New Roman">&nbsp;</font>
<font size="2" face="Arial">a) &nbsp; &nbsp; there has been a material
change of use of land to which a consent relates; or </font>
<font size="2" face="Arial">b) &nbsp; &nbsp; planning permission /
development
consent has been granted for development, the carrying out of which would
involve a material change of use of such land, and the development to
the permission / development consent related has been commenced;
or</font><font size="3" face="Times New Roman">
</font>
```

c) where the consent relates to just one substance, that substance has not been present on, over or under the land to which the consent relates in a quantity equal to or exceeding

the controlled quantity for at least five years; or

d) where the consent relates to a number of substances, that none of those substances has for at least five years been present.

 </force>

Revocations made for these reasons must also be confirmed by the Secretary of State.

 <font size="2"
face="Arial">

If there is a change to the person in control of part of the land, the consent is revoked automatically unless an application for continuation has been made (s.17). Such revocations do not require confirmation by the Secretary of State.

Applications for revocation that are subject to confirmation by the Secretary

of State should be sent to the National Planning Casework Unit at the following

addresses:

National Planning Casework Unit

5 St Philips Place

Colmore Row

Birmingham

B3 2PW<u>
</u><font size="2" color="blue"

face="Arial"><u>npcu@communities.gsi.gov.uk</u><font size="3"
face="Times New Roman">

Current guidance on the revocation of consents can be found in paragraph 59 of the Planning Practice Guidance on Hazardous Substances (<u>https://www.gov.uk/guidance/hazardous-substances</u>)<

 <br/

The Department of Communities and Local Government has published general guidance on hazardous substances consents, which although now slightly out of date, can still be found at, <font size="2" color="blue"

face="Arial"><u>http://webarchive.nationalarchives.gov.uk/20120919132719/w
ww.communities.gov.uk/index.asp?id=1143296</u><font size="3"
face="Times New Roman">

 <font size="2"
face="Arial">

```
I attach copies of a couple of revocation orders, confirmed by the
Secretary
of State, which you may also find helpful.</font><font size="3"
face="Times New Roman">
