IN

Area indicated in grey diagonal hatching indicates location within garden centre site previously unutilised to now be used as additional customer (over flow) car parking. Finished with compacted Type 1 to match existing car parking area.

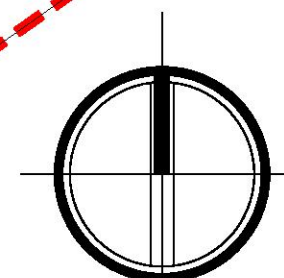

Gustedhall Farm

Potash Garden Centre

Area indicated in green diagonal hatching indicates location within garden centre site previously unutilised to now be used as additional growing space to meet the demand of plant sales.

**IMPORTANT NOTE:**

The Applicant would like to make it clear that the Garden Centre is the primary business operating from the Potash site and that the tea rooms is an ancillary operation running along side the Garden Centre.
