

PLANNING DRAWING

Existing tree within adjacent site with 500mm dia trunk (The root protection zone is shown for clarity; 12 x dia of trunk, highlighting that the proposed works will have no effect on the tree).

Low level dense planted (Box Hedging) defining communal amenity space boundary. To be: 1000mm high (max).

RECEPTION

PROPOSED SITE PLAN 1:200

LANDSCAPING SCHEME:
The landscaping will, of course, be subject to condition. However, the landscaping treatments across the site are crucial in realising a coherent and well anchored scheme.

Client: Marchi Developments Ltd
Location: Spa House, 22 Main Road, Hockley, Essex SS5 4QS
Project: Conversion of Commercial Building to form 10 No. Apartments + 1 No. Commercial Unit.
(Proposed Site Plan)
