

BELGRAVIA GAULT BLEND BRICK

Benefits of Belgravia Gault Blend Brick

The Ecostock range is manufactured using the latest technology in sustainability and production efficiency. We produce three kinds of this soft mud brick at our state-of-the-art factory in Measham, Leicestershire: stock pressed with a smooth, sand faced finish; stock thrown, which have a traditional handmade appearance; and waterstruck, which have a smooth but irregular surface. Ecostock bricks are available in wide selection of red, buff and yellow colours.
