## Communal Garden

**Eastern Entrance:**

East corner entrance to have 2.4m field gate and 0.9m pedestrian gate.

**Trees:**

An assortment of native trees to be planted to add height and interest to the garden.

**Pathway:**

All paths to be 1.5m in width. Either concrete block or timber edgings with a wearing course of either 6-10mm of pea shingle or cedec pathway gravel.

**Wild flower meadow:** Low maintenance wild flower meadow to give summer colour and add to the natural feel of the garden.

**Picnic area:**

Possible area for the arrangement of picnic tables.

**War Memorial:**

The three paths meet at the proposed war memorial. Planting beds surround pathways as well as memorial. Possible site for benches.

**Mound:**

Large mound of earth to be graded near to the fence line to stop vehicular access.
