You don't often get email from [REDACTED] on why this is important

Hi

My issue is as before, the flats will be looking directly into my garden.

Mrs. Brenda Diep

I have reviewed the plans for the proposed extension to Benleigh Hse-Down Hall Rd Rayleigh

I have an issue as the top flats will view directly into my garden on opposite side of the rd and will definitely be an issue for our privacy.

Parking ect I am sure will also be an issue as often cars park on the kerb when delivering or visiting the flats blocking that lane of traffic.
