Hello Richard,

You have asked for network details and drainage calcs for this application. The agent has now supplied them. Attached is the main document but they have supplied other things which are on our website if you need to refer to them. As the appn expires on the 13th and I work part-time, if you are able to reply by Monday that would be helpful. I've copied this to the agent, Lucy Fathers, if you need to contact her. Her mobile phone no is 07717 541 329.

Regards,
