

To Mrs Judith Adams

We have heard that there was a cattery here many years ago, and presume this is the accepted use of this site.

In these circumstances we support this application with 2 provisos:

Permission should be for a cattery only; no other animals could be boarded/bred here, and

the owners should provide a collection and delivery service, and the business should be serviced in this manner, with no access for customers vehicles.

John Dyke - Ashingdon Parish Clerk
