## G. CHOICE OF PROCEDURE

### CHOOSE ONE PROCEDURE ONLY

You should start by reading our booklet 'Making your planning appeal' which explains the different procedures used to determine planning appeals. In short there are 3 possible methods: - written representations, hearings and inquiries. You should consider carefully which method suits your circumstances.

Please note that when we decide how the appeal will proceed we will take into account the LPA's views. ✓

#### 1 WRITTEN REPRESENTATIONS w

This is normally the simplest, quickest and most straightforward way of making an appeal. Three out of every four people making an appeal choose this method. The written procedure is particularly suited to small-scale developments (e.g. extensions of buildings, individual houses or small groups of houses, appeals against conditions and changes of use). It is also very popular with people making their own appeal without professional help. The process involves the submission of written 'grounds of appeal' followed by a written statement and any supporting documents. It also provides an opportunity to comment in writing on the Local Planning Authority's reasons for refusing permission (or failing to determine the application). An Inspector will study all of the documents before visiting the appeal site/area and issuing a written decision.

**NOTE: The Inspector will visit the site unaccompanied by either party unless the relevant part of the site cannot be seen from a road or other public land, or it is essential for the Inspector to enter the site to check measurements or other relevant facts.**

- a) If the written procedure is agreed, can the relevant part of the appeal site be seen from a road, public footpath, bridleway or other public land? YES   
NO
- b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? YES   
NO

If the answer to **1b** is 'YES' please explain

#### 2 HEARINGS H

This process is likely to be suited to slightly more complicated cases which require detailed discussion about the merits of a proposal. Like the written procedure, the process starts with the submission of 'written grounds of appeal' followed by a full written statement of case and an opportunity to comment in writing on the Local Planning Authority's reasons for refusing permission (or failing to determine the application). The Planning Inspectorate will then arrange a hearing at which the Local Planning Authority and the appellant(s) will be represented. Members of the public, interested bodies (e.g. Parish/Town Councils) and the press may also attend. At the hearing the Inspector will lead a discussion on the matters already presented in the written statements and supporting documents. The Inspector will visit the site/area and issue a written decision in the same way as the written procedure.

Although you may prefer a hearing the Inspectorate must consider your appeal suitable for this procedure.

#### 3 INQUIRIES I

This is the most formal of procedures. Although it is not a court of law the proceedings will often seem to be quite similar as the parties to the appeal will usually be legally represented and expert witnesses will be called to give evidence. Members of the public and press may also attend. In general, inquiries are suggested for appeals that:

- are complex and particularly controversial;
- have caused a lot of local interest;
- involve the need to question evidence through formal cross-examination.

## H. GROUNDS OF APPEAL

If you have requested the written procedure, please provide your **FULL** grounds of appeal.

If you have requested a hearing or an inquiry, you do not have to provide your full grounds of appeal. You can provide only a brief outline of your grounds, but it must be sufficiently detailed and comprehensive to enable the LPA to prepare their case.

Refer to our booklet 'Making your planning appeal' for help.

Please continue on a separate sheet if necessary.

- The proposed bedroom window (first floor) is 6m east of the boundary of No 3 Sovereign close.
- No 3 Sovereign close faces North East. No 4 Sovereign close faces NNE. Therefore the converging sight lines would conflict at the rear of the rear garden of No 3 Sovereign close.

- We believe this refusal is inconsistent with Rochford District Council's policy (HPS) by the "granting" of semi detached properties in this area which by design impose worse conditions than this application.

- In general, the refused development is some distance from the boundary of No 3, practically having little views over the rear garden, infringing on privacy.

Our clients property has windows on the north elevation, from the hall & ensuite somewhat closer to the boundary of No 3. It is our opinion that this proposal will not result in the loss of any privacy or quiet enjoyment to the neighbouring property No 3 Sovereign close.
