To: Planning RDC <planning.applications@rochford.gov.uk>

Dear Sophie

Stambridge Parish Council objects to the application made by Enterprise Inns PLC for conversion of an outbuilding to form 5 letting bedrooms and maids store under the Parish Council Policy to oppose to any tourist development.

The only exception the Parish Council would consider would be the conversion of redundant farm buildings allowed under the RDC planning policy. There appears to be no evidence with the documentation provided that the owner has sought for the redundant farm buildings to be used as agricultural/light industrial uses. If this isn't the case then please can you advise us so we can comment further.

Thank you and Regards
Anne-Marie Bates
Stambridge Parish Council
