Dear Mrs. Dowson Brown

As agreed with Richard Havis of Essex county council archaeology department, there will be no excavation for the stable base. There will be a build up with clean screened crushed hardcore to create a level surface. There will then be 6 inches of Concrete laid for the stable block to sit on.

Yours Faithfully

The Swann OutdoorCam™ Security Camera is a versatile security solution that suits both indoor and outdoor applications. Featuring a robust weatherproof metal casing with sunshield the camera is ideal for areas subject to dust rain or other wet conditions.

Providing clear black & white images the camera features an auto-light sensor that switches on the 11 infra-red LEDs at night providing invisible light. Now you can monitor your premises in complete darkness or keep an eye on areas such as stairwells secluded corners or alleyways that usually have little light!
