his + other letters (!) in attached  
letter of today's date

Dear Sirs,

**Landscaping South of Areas 3 and 4,  
St. Lukes Place, Rochford Hospital Site**

Further to our meeting on Friday 19th June 1998, we enclose as requested, copies of  
Drawing No's AM/ST L/3, 4, 5 and 6 showing the proposed planting and general  
landscape specification for same.

We would be grateful of your observations or approval as soon as possible, being  
that general preparation of site for the above is progressing, following Anne Holden's  
approval to our design shown on our Drawing 1340/252

You will please take note that the planting deleted in pink on Drawing No's AM/ST  
L/4 and 5 has been removed on request by Anne Holden, as she felt it detrimental to  
the visual aspect of the building form.

Yours faithfully,
