Hi Katie

I have no objection and so didn't submit a response, although I can see that, given the history of this case and the local objection, it would be wise to have that on record. I attach a response.

Best wishes
Neil

Dear Alan

Re. Consultation on Planning Application 10/00323/FUL

I have reviewed this application relating to land rear of Oakfields, St Peters Road, Hockley. The proposed management is not considered likely to result in an adverse ecological impact and so I have no objection to the consent being granted.

Yours sincerely
