Dear Sir/Madam,

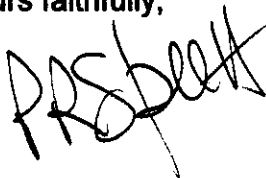

Re: Leisure Field & Airstrip – Baldwins Farm, Barling

I have been contacted by Mr Paul Ellingworth to give my account of known light aircraft movements at the above airstrip over the past decades.

I started flying in 1974 at Southend Airport and we would use Baldwins Airstrip for practised force landings (P.F.L.'s) and circuits. During the 1980's we often landed at Baldwins for a cup on tea and a chat with the Pavelin brothers. Baldwins was a great place to practice short field take-offs and landings.

I flew regularly up until the year 2002 and am well known by Air Traffic Control at Southend Airport.

Yours faithfully,
